	Very well educated heifers with an extremely good temperament. All heifers stood still and patiently on scales during weighing process and exited at a slow walk. These heifers could be recommended to people with all levels of experience with livestock.						
Handled With	Bikes , On foot , Vehicles						
Assessor Comments	This pen of extremely quiet PTIC heifers which have been bred down from stud cows stud cows have the breeding and						

temperament behind them to make them a perfect addition to anyone's herd, or to start with a line of well bred young females that have a lifetime of quality breeding potential in front of them. Vendor bred with with 23 years of breeding behind them these heifers carry great genetics. Preg tested in calf to Angus bull sired by Paratrooper. Vendor selects females with an emphasis on growth, frame, milk and temperament.
