Assessor Comments	Freshly shorn, already well started on grain feeders and making great weight gains the hard work is all done for you. Drop them in the feedlot and book in your kill contract. Vendor runs big numbers with high stocking rates and this draft of lambs have really improved since shearing. Bred out of Robust, Medium Frame Monaro & Eastern Riverina bred Merino Ewes by Ridgehaven & Barwon Poll Dorset Sires these lambs will grow out into ideal heavy trade or export weights. Lambs that have a solid history of performance from previous purchasers.
