Assessor Comments	Offering of behalf of BP & JC CARTER is a line of 140 future breeder ewe lambs. Ewes present in store condition averaging 33.3kg at assesment and have picked up considerably on some improved feed. Lambs are bred out of large frame Rices Creek blood ewes by Wallaloo Park blood rams and have very plain soft skins. They cut 1.5kg wool as lambs at 17 micron. They have been Mulesed and are up to date with drenching and vaccinations. A good opportunity to secure some future breeders to save having to step into the Spring store markets.
