Pregnancy Terms	No Pregnancy Terms apply.
Other Joining Details	Joined to high quality type 5 White Dorper Ram
Assessor Comments	A small line of top quality White Dorper ewes. Bred in the well performed Nomulla flock out of stud and commercial females. Ewes are safely scanned in lamb to a type 5 Nomulla White Dorper ram (photo attached). 5 twins and 22 singles scanned in lamb for 122% scan rate. Vendor has spared no expense in their breeding program, accessing quality genetics from AI & ET to improved and develop the desired characteristics in the white Dorper breed. Ewes are well grow true to type and generally very clean shedders. Quality ewes that won't disappoint
