| Assessor Comments                     | <p>Excellent quality line of mixed aged Poll Merino ewes SIL at 155% to low birthweight Lambpro and Springwaters Poll Dorset sires. Ewes are genuine large frame types and expected to commencing lambing at the beginning of April for 4 weeks. Ewes carry their weight well, present evenly as a group and in ideal lambing condition. A large tail was removed pre assessment based on type and condition. They are bred from a well-known highly regard local flock and are classed breeders with some stud ewes also present in this line. Ewes will be offered in four lots and will be delivered evenly via drafting gate at delivery. Twins are also marked in the middle of the back.</p> |            |            |
