| Vendor Comments        | Selling due to seasonal conditions, this is very reluctant sale                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Joining Details        | Station Mated ram(s) put in: 13/12/2024 ram(s) taken out: 30/01/2025 (49 days)<br>Ram Breed(s): White Suffolk, Suffolk at 5.0% Rams<br>To the vendors best knowledge, this lot has had no access to rams or stags aside from stated joining period.                                                                                                                                                                                                                                                                                                  |
| Preg Scanned?          | No, this lot was not pregnancy scanned.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Assessor Comments      | Neat line of 2yr old 1st X Ewes that have been running with W/S and Suffolk rams at 5% for 7 weeks and are only being sold due to seasonal conditions. These ewes present in a forward store condition and with feed will fill into their frames. These ewes show a medium to large frame with good structures and a good depth of body. The ewes were purchased as SIL Ewe lambs and lambed down with a 105% marking rate. These ewes will be sold as 2 top lines of 170 and vendor also has a line of 103 in the sale. Tail also has been removed. |
| Assessor               | <b>Simon Lehmann (Level 2 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
