Assessor Comments	Great opportunity to secure 2.5 yo dispersal Ewes. Vendor has been on O'Brien blood for years, breeding all the natural traits of high fertility (110-120% consistently), large frame and cutting generous amounts of white stylish wools. Easy care sheep that can be run in all environments and would be beneficial to anyone's program as a self replacing Merino or XB operation. Ewes ready for the Ram of your choice. Please note; 2 other lots in sale from same vendor.
