Notable Traits

	Traits
1 Head	Torn Ear

Assessor Comments	Buyers 3 decks of good quality flat back heifers that present with good length, frame & bone. Heifers are in store to forward store condition and are best described as medium to large frame for age. Heifers show all the right breed characteristics and would suit both backgrounding on to heavier weights or join to a bull of choice for future breeders. In this line of heifers there are 80 x heifers with age brand #4 & 17 x heifers with age brand #3 which are second round number #3's with 15 of them being mouthed and all presenting solid milk teeth. At assessment 1 x heifer was noticed with both ears being a little torn.
