Assessor Comments: A rare opportunity to purchase some excellent bradford breeder heifers with cracking genetics. The vendor would generally keep these heifers to put back in his breeding herd, but due to numbers being at maximum it's been decided to turn off.

	Heifers are out of purebred braford cows and sired by Ashby and Strathgyle braford stud bulls. Majority of these heifers are polled with a great temperament and have been worked thoroughly by the vendor. Heifers would be ideal future breeders and become a great asset for someone's breeding herd or would suit a 100-day feedlot job. All up to date with vaccinations. The vendor will guarantee clearance for these heifers, but the clearing cost is on the buyer
