Assessor Comments: 12 vendor bred Angus and Angus x weaner steers presenting in healthy forward store condition that had an average weight at assessment of 277.2kg after a -5% curfew. Buyers here is a line of very well bred steers that would normally be sold in the weaner sales at heavier weights. Steers that would be ideal to wean and have ready for the upcoming oats season to grow out to the feeder market of your choice or fatten for a grassfed slaughter market. Please note: 2 day delivery dates. Same vendor has 2 other lots in same sale.
