Assessor Comments	Here presents a great opportunity to purchase a well bred line of Pine Creek & Millah Murrah blood NSM future breeders. These heifers were bred in the Central west region and purchased from there via AuctionsPlus. Heifers average 415.4kg at assessment & present in perfect condition to join up to the sire of your choice & slot them straight into your breeding program. Heifers were purchased NSM and have NOT been joined. Cattle were pregnancy tested to ensure that status. Good quality females that display length, phenotype & softness. Cattle were a pleasure to handle in paddock & during assessment.
