Assessor Comments	On offer is an outstanding line of 62 one-mark Angus heifer weaners. Heifers are 9-11 months old and present in healthy forward store condition. These Mundarra blood weaners are ideal types with plenty of shape. With no heifers retained this lot of 62 head is the top draft of the vendors Autumn calves. Offered in the same sale is the second draft of 22 head providing the opportunity to put together 84 one-mark Angus heifers. Heifers will grow out to be fantastic breeders of the future.
