	These cattle are a pleasure to handle, easy to draft and work through the yards. They have been handled and educated frequently since weaning.		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Notable Traits	Traits		
	20 Head Old pink-eye scaring		
Assessor Comments	A/c Harlock Pastoral - 46 March/April Drop 2024 - Hereford steers. Weighed from 245-380kg to average 276kg at curfewed. **EU Accredited & PCAS Eligible**, They have been properly yard weaned and will grow into terrific feeder steers or EU Bullocks. They are extremely well bred cattle, with bull selection emphasis on a 400 day growth of 62 + and a 600 day growth of 84 +. As well as positive fat and large EMA. Vendor regularly spends in excess of \$18,000 on specially selected sires from Allendale & Days White Face as well as Cannawigra in the past. All the hard work has been done, these cattle will perform and come highly recommended. Approximately 20hd had old Pink-Eye scar not detrimental to the animals doing ability.
