JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.
Vendor Comments	Store wether lambs that would be normally taken through to kill job although season drying off decided to move on.
Notable Traits	Traits 4 Head Undershot Jaw
Assessor Comments	Excellent opportunity to purchase a trade mob of shedding wether lambs, with lead lambs not needing long to be finished and could be drafted off now. Charlotte Plains have transitioned from Mernio enterprise to Shedding sheep and have now got into the swing of production with good quality Aussie White rams purchased from Kahmoo and Ultra White Rams from Bulmar Studs with the quality shown in the progeny presented. Ewe base is from a mixture of bought in Australian White, Dorper & White Dorper and Sheepmaster lots. These wethers are on the rise in condition and will do well on good quality pasture of in the feedlot. Please take discretion on breed and view media to best determine breed types with some black heads and bodies. Lambs will load comfortably on 6 decks.
