Assessor Comments	460 Good Quality Woolgrower wether Lambs. These lambs have been bred to a high standard and would normally be kept on and sold at 5y/o. The mature wethers from this property cut 5.5-6kg of wool at an average of 17.5 micron. The blue tags wethers wool tested 16.5 micron. A regretful sale for the vendor. Buy with confidence. A small tail has been removed at assessment and this represents the entire 2024 wether portion of lambs.
