Assessor Comments	Buyers, presented to the market is a very nice run of 2nd x store lambs averaging 36kgs at assessment. These are the ideal article to take on to fatten into trade or heavy export lambs. These lambs have really bounced ahead after shearing and are on the do. Lambs have recently been drenched and shorn having all the hard work done for you. Lambs are out of large framed 1st x ewes sourced from the Coonamble region. An Opportunity not to be missed to purchase some well bred 2nd x lambs. All lambs were weighed out, removing a very small tail at assessment. This is the vendors complete drop of lambs.
