| Assessor Comments        | Opportunity to purchase genuine Concordia Merino Blood Wethers off Hawks Nest noted for there ability to fill bales of medium micron wools. Given the length of wool it also gives you the ability to shear shortly and feed on given they have already been introduced to grain. Please note there is 2 lots of 450, 900 in total. Call me if you have any further questions on 0409 412713, thank you. |            |                |            |
