Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	Offering 495 principally Poll Dorset sired lambs presenting in forward store to forward condition. Lambs have been shorn, had animal health treatments including drench & 5-in-1 vaccine. They are well and truly grain trained, currently in feedlot conditions being fed a ration of 50% finisher pellets & 50% barley. They are well and truly settled and are hitting their straps with recent weight gains recorded at in excess of 200grams/day. Lambs were 100% weighed morning of assessment at 36kg+. Performance feedback has been very positive from previous purchasers of the Manifold lambs with repeat interest. The hard work has been done here, representing the chance to acquire nice quality lambs that will typically finish into quality trade and heavy trade markets.
Assessor	**Nick Maddison (Level 1 Accredited)**
