| Assessor Comments | A great line of 590 store lambs is being offered off "Eumeralla West." These Lambs are a genuine August/September 2024 Drop. They have been backgrounded perfectly on Summer Crop with Trail Fed Barley at 2.5kg per head per week, so they are grain-trained and ready to go. The hard work has been done. These lambs are ready to go onto feed and will easily make heavy trade to heavy lamb weight. They are predominantly a Dorset X lamb with an average weight of 31.3kg at assessment. The prospective purchaser will not be disappointed with these lambs as we have had positive feedback from past purchasers on these lambs. Note that this vendor has two more lines of lambs for this sale off the same property. Buy with confidence. |
