Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	An excellent line of shorn Dorset & Composite X Composite lambs. These lambs have been grain trained and are currently on a barley and lupins mix in containment pens. HM Templeton Pastoral Co select rams on growth and these lambs will not disappoint. In the past these lambs have been feed on into heavy trade lambs. The lambs have had 1 6 in 1 and were drenched in December. Also, in this sale the vendor has another line of 260 store lambs.
