Vendor Comments	Annual sale of Merino wethers			
Assessor Comments	The Annual sale of the Randall Park June & July drop Merino wethers. These 2023 drop wethers were Shorn on the 20th of January and have healed from any nics or cuts they had. Sired by Goldalea & Rockbank South Merinos, these wethers produce quality wool that is white, bright and stylish. Sires are selected on Frame, Wool quality & Growth. Having had time to grow out these wethers present an excellent opportunity to secure an animal that won't take long to put weight on with the right feed intake. Currently receiving barley (trail fed) and pasture hay.
