Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	The Sinclair Family are offering a line of 450 Mixed sex Feeder Lambs, This line of lambs have been individually weighed 38-50kg @ assessment ensuring perspective purchasers an even line of feeder lambs with tail removed. This group of Lambs were shorn mid December and have been on Lamb finisher pellets in Lick feed feeders for 5 weeks with the induction process completed ensuring feed lotters complete confidence. I have no doubt these Lamb have the potential to grow into heavy export weighted Lambs if given the opportunity.
