| Assessor Comments | Buyers this is a great opportunity to secure a VGQ 3 deck line of #4 AngusX heifers. These heifers are out of large framed Santa, Santa/Angus & Santa/Simmental cows sired by high priced Raff and Lawson Angus bulls and show great length/depth & bone and great weight for age. These heifers have a great reputation and are highly sought after when normally sold as Feeders, they will perform on grass or grain and would be ideally suited to the Woolworth Domestic feeder market as they were drafted into 300_400 kg weight spec ,or alternatively taken through to grass Jap ox as they are all HGP free antibiotic and grain free and lifetime traceable to suit all Pasture fed programs. Please note one heifer observed with slight blight scarring in one eye not considered detrimental. |
