Assessor Comments Buyers, this is a soft line of xbred VET PTE heifers that would suit all domestic feeder categories. These heifers present in good store condition averaging 366kg. Heifers show nice length of body with plenty of spring of rib. These heifers have nice softness with good depth of flank. Heifers were all mouthed with 30 heifers being milk tooth, with one heifer just breaking 2 tooth. All heifers are vet PTE. These heifers worked well through yards and are good to handle out in paddock.
