These steers had only been weaned for 4 days at assessment, therefore still hadn't completely settled but I believe with

	some more education they will quieten down well.

Assessor Comments	A top quality draft of weaner steers. These weaners are the lead of the draft for the season. All sired by top quality Charolais and Red Angus bulls, out of a very good herd of cows. The Drynan Family's cattle are renowned for performing extremely well in some of the states most prestigious carcass and weight gain competitions. These steers are showing exceptional growth for their age and have the frame to grow into heavy bullocks. The vendor has pre-treated the steers and will deliver them to Toogoolawah Saleyards and guarantees them clear of the dip. These weaners will have been weaned for a week on sale day.
