Assessor Comments	A very good line of young unweaned Angus and Angus Cross Heifers. Note 1 Hereford heifer in mob. Well bred heifers that good growth and feminine character. Unweaned and do tend to run about in yards but with proper weaning should settle down. These heifers would be very suitable to take through to trade/export feeder markets or would make a very good line of replacement heifers. Note vendor has another lot of heifers and 2 lots of steers this sale.
