	Heifers work well through yards and crush, only observing 4 heifers slightly stirry in crush but settled once back in mob		
Handled With	Bikes , On foot , Vehicles		

Assessor Comments	On offer is an attractive line of 34 Santa Gertrudis cross Droughtmaster heifers that would be ideal trade heifers or could be kept on as future breeders. At assessment, the heifers averaged 365.7kg, with a weight range of 313kg to 433kg. These heifers are ideal future breeders, with youth and time on their side, and their whole breeding life ahead of them.
