Assessor Comments	Tops of the drop, these outstanding Autumn drop calves would be perfect for some upcoming winter cereal or a domestic feeder job now. They have been weaned since December and been going ahead on Forage Sorghum crop. These steers are certainly soft enough to finish on grass but have the hybrid vigour and carcass shape that will yield the house down. The cattle have been well handled and in both the paddock and yards they are a pleasure to work and draft. Being all black coated is just a bonus. These calves are the real deal and are sure to impress.
