Assessor Comments

Buyers, to be offered for sale are 28 NSM Angus Heifers. Genuine 1 mark in these heifers. Milwillah Angus blood. These heifers were carefully selected and purchased with the intention of joining, as an addition to the vendors breeding program. Due to seasonal conditions they are being offered back to the market. Well bred, good quality heifers displaying medium to large frames. These females have matured into ideal feminine breeders. September/October 2023 drop. They have not had an opportunity with a Bull. Heifers have a good quiet temperament and flow through the yards well. Average 412Kg, ranging 356 to 493Kg Full at assessment. Vaccinated with Pestiguard amongst other health treatments. Roomy females that would be a great addition to any breeding program or a ideal proposition to feed on with a quick turn around. Take home to join or finish quickly into good quality kill cattle. Buyers please note, vendor is also offering 50 Gilmandyke blood Angus Heifers in the sale.
