Assessor Comments	These are the annual drop of Wagyu x Shorthorn heifer weaners off 'Woodpark'. They have done very well for all previous purchasers, whether that be for backgrounding heifers or straight to the feedlot. They have also been grown out into big kill weights at home on the property. The Huggin's family have bred these cattle with a focus on marbling and growth so as to reach weights quicker, and move onto the next step faster.
