Assessor Comments	Heavier draft of the Simm / Shorthorn and shorthorn Weaner Steers. Colours range from Red baldies , red roan and white. Tremendous natured cattle excellent to handle majority present in forward store condition, display good growth for age despite worst season on record have weaned exceptionally well and ready to turn out. Growth and length that you would expect from these two breeds. Cattle with a good history of performing in feedlot situation with excellent daily gains. Plenty of money spent on Sires at Artimore with most Shorthorn bulls being purchased from Futurity and Simmental bulls from Woonallee . Excellent grass finishing or feedlot backgrounding prospect.
