Assessor Comments	Opportunity to purchase exceptional dual purpose future breeder merino ewes with their whole life and ahead of them and ability to mate to their sire of your choice going forward. Vendor spares no expense on sires and has been on Greenfields blood for 40+ years focusing on ewes with frame, carcase, large wool cut & lamb rearing ability. These ewes are surplus to requirements mainly due to season and percentage of ewes with scour. Full confidence that ewes will go well in merino or terminal operation going forward and are ready to join.
