Assessor Comments	Annual sell off of 3 1/2 year old breeding ewes, part of a flock reduction. These are the classed in breeders and been used in a self replacing merino flock. Ewes are M/J 2022 drop, Sept shorn, M&TS, Moorundie Park blood. Ewes had 100% lambs weaned from them. Extremely well bred large framed breeding ewes would suit either a self replacing Merino flock or joining back to terminal sire.
