Assessor Comments	A great opportunity to secure genuine classed in young breeding ewes. These ewes all scanned in after mating and are only on the market due to a tight season. Sired by Calga Dohne rams and bred from large frame ewes, these ewes are in excellent condition and ready to join to the ram of your choice. Averaging 60kg at assessment, these ewes will not disappoint. Shorn in late August and backlined ready to go. M/TS, tagged with Blue EID tags and in the prime of their life. Genuine reason for sale. Do not miss this opportunity.
