Assessor Comments	On offer is a very good mob of xb lambs. Lambs were purchased late December 2024 and have been running on Barley & Canola stubble. lambs have been gaining weight extremely well and have not had a setback since purchase, unfortunately due to agistment finalising lambs have to be moved on. 100% of lambs were weighed @ time of assessment with 65% of lambs weighing 45kg & up! lambs have got a very good large frame and will fatten quickly into export weights if given the opportunity.
