Vendor Comments	FIRST SALE OF WETHER LAMBS			
Assessor Comments	OFFERING 120 MAY 24 DROP OTOCBER WEANED DEC SHORN MERINO X CORRIDALE/MERINO WETHER LAMBS. Sired by Longdale Park Merino Rams. They have been getting trail-fed barley 3 times a week for the past two weeks. These lambs are very much a comeback-style article. Weighing 28-48 kg to average 35.2 after a 12-hour curfew, they present in light store condition being fat scores 1 & 2. Due to low water levels in the dams, some of the lambs have mud on the hocks, and the odd one has mud on the belly. Shown a drench, adequate feed and time, these lambs will fit into the winter trade market with ease.
