Vendor Comments	Sale of crossbred lambs
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	An even line of Vendor Bred White Suffolk Merino X Lambs. All lambs went through the scales between 40 and 49.5kgs to average 45kgs at the day of assessment. The vendor selects White Suffolk sires from Ashmore Stud in SA, with purchasing emphasis on Post Weaning Weight Gains. The lambs have been running on bean stubbles, and are trail fed wheat 3 times per week (1kg per head per feed). These lambs are suitable for light trade or feeder options, with frame potential to grow into top quality trade or export weights.
Assessor	**Tom Madden (Level 1 Accredited)** Parallel Assessed By : Trent Severino
