Assessor Comments	Offering 360 principally composite lambs presenting in store to forward condition. Lambs are sired by high indexing Cloven Hills & Mount Ronan rams (small % Hampshire Down) and have been trained to grain, being containment fed on Manildra lamb pellets & oaten hay. Lambs have shown consistent improvement over the last month and when finished should hit most markets. They are bred from a very good composite ewe flock and are later drop. Lambs with time on their side, that will finish to trade or export weights into promising winter markets (NOTE: Nutrien Warrnambool offer 1130 similarly weighted crossbred lambs over 3 lots this sale in a 50km radius).			
Assessor	Nick Maddison (Level 1 Accredited)
