Assessor Comments	Nice line of well bred, plain bodied ewe lambs. Exhibiting good stretch and depth of body, they are in a strong forward condition and are out of a large frame, top level flock. Normally offered in the Karoonda off shears sale in August as one of the top lines, they have developed a very good reputation for the performance and easy care traits these sheep possess and have seen very happy repeat buyers over many years. Vendors have purchased sale topping rams previously and are always buying at the pointy end of ram sales. All ewe lambs have been through the auto-drafter and have had a tail removed.
