Vendor Comments	Surplus young ewes

Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Good line of Merino ewe hoggets ready to join to purchasers sire of choice. Bred from a self replacing flock these young ewes have grown out well considering dryer than normal conditions throughout there lives. Bred from large frame Egelabra blood ewes these ewe hoggets are surplus to requirements and would ideally suit to shear and join to the terminal sires. Fresh and healthy young ewes that will continue to grow out on good feed with a handy fleece on their backs.
