Assessor Comments	Here presents an opportunity to secure a neat line of well bred Atze ewes SIL to White Suffolk and Charolais rams. These ewes are large framed and in forward store condition. The ewes were purchased Ex. Pinnaroo Off Shears in 2024 and the only reason for sale is due to the continued dry and difficult seasonal conditions being experienced throughout the SA Mallee. With a very good start in the wool these ewes present a significant opportunity for short term financial returns if you can feed and lamb them down.
