Assessor Comments	Here presents an opportunity to secure a neat line of Kooli-bar and Longtrail ewes SIL to White Suffolk and Charolais rams. These ewes are medium framed and in forward store condition. The ewes are a mix of vendor bred as well as some ewes purchased Ex. Kooli-bar. The only reason for sale is due to the continued dry and difficult seasonal conditions being experienced throughout the SA Mallee. With a good start in the wool these ewes present a significant opportunity for short term financial returns if you can feed and lamb them down.
