Notable Traits

Traits

1 Head Slight blight in left eye

Assessor Comments	A very good line of Angus/Droughtmaster yearling steers that present in forward store condition & offer potential buyers good compensatory weight gains. These steers have been running on light timbered country and are renown for their doing ability. Ideally suited for any bullock fatteners or buyers wanting to target the heavy feeder market. Please note 1 steer was observed with slight blight in it's left eye.
