Assessor Comments	A good line of predominantly Angus Steers with 7 head carrying some cross. Steers are medium to good frame. 3 head have very slight pizzle. Note 5 head of 2 tooth steers are all over 400kgs (includes 2 steers just cutting 2th). Steers are by Angus Bulls based on Tex Angus Bloodlines. Some steers have rub around the eyes due to season and buffalo fly is active and advise purchaser to treat. These steers are suitable to take through to trade/export feeder markets with the majority suited to Angus specifications.
