| Assessor Comments      | Buyers a very nice line of Angus Heifers which would suit both domestic and export markets. These Heifers are an ideal article to do a feeder job or keep for future breeders. Heifers present in good forward store condition and show good softness and bone throughout. Selling due to dry conditions. Heifers were treated with Coopers Easy-Dose at assessment due to buffalo fly. Please note 1 Heifer with white under flank and 1 Heifer with old scaring in eye although not detrimental. Please see photos for further satisfaction. |                         |         |
