Assessor Comments	35 Very good quality Angus weaner steers. These steer calves were drafted off the cows the morning of assessment and went back with the cows after and will run with the cows until delivery. These steer calves are by Texas Angus and Texas Angus blood bulls. An opportunity to purchase some very well bred steer calves with great growth for age. These steers are ideal to background for the feed lotters or given the right opportunity could be taken on to supermarket weights. The cows and calves were both treated at assessment for buffalo fly with Incarcerate.
