Assessor Comments	Buyers, presented to you is an exceptional line of very well-bred, quality Angus Heifers. Averaging 393.6kgs full at assessment, in a tight weight range of 360kg – 426kg. These heifers are of excellent quality and are displaying medium to large frames with plenty of length, being a tribute to the history of breeding – Please refer to breeding details listed in assessment. This is an ideal opportunity to secure females that will be a great addition to any breeding program or take home and feed on to target domestic or export weights with a quick turnaround. Please note these heifers are Greenhams Never Ever accredited. These cattle are well handled, with a good quiet temperament. They were a pleasure to work with and flow through the yards well. Buyers please refer to media, some heifers displaying white on udders. These heifers are sure to impress.
