Assessor Comments	A nicely presented draft of very well bred Poll Hereford heifers. Heifers present in store to forward store condition and are very even. They are sired by high quality Allendale & Days sires, with no expense spared on genetics and are bred from a very good cow herd. They are nicely marked and show good depth & bone. A 10% tail was removed at assessment. A chance to acquire very well bred Poll Hereford heifers to background or join down the track.
