Assessor Comments	Magnificent line of F1 Heifers that were a pleasure to handle in good facilities. These Heifers would suit to feed on or be joined to a bull of your choice to make a excellent line of vealer mothers. These Heifers were purchased 12 months ago out of Gippsland as 6 month old calves and have grown out exceptionally well considering the dry season. Have also had Beachport Blue Cap minerals added to troughs the last 4 weeks. Good even line with majority in tight weight range and will not disappoint. Note - odd Heifer with white sock. 58 Steers on same property in this sale.
