Assessor Comments	Good line of well bred Angus weaner steers. Tops of draft. Good forward/store condition. Majority quiet to handle in good facility. Ready to go on for successful purchaser and ideal backgrounding, feed lot steers or to grow on to heavy trade or export weights. Are doing well since weaning considering the very dry season in the South West of Victoria. Note: 14 seconds Steers, 24 tops of heifers, 16 seconds of heifers - also in this sale from same property.
